JANIS MEMORANDUM #42

4 October 1945

MEMORANDUM FOR: JANIS Contributors.

Subject: Future JANIS Studies.

1. The Joint Intelligence Committee has approved the following list of JANIS studies to be prepared by 1 July 1946:

European areas of the U.S.S.R.  
Argentina  
Central China

2. This list is in addition to those being worked on at present. Later an additional list of areas for future studies will be announced.

3. Tentative area of European U.S.S.R. to be covered excludes the Caucasus. Central China area consists of the provinces of: Kwangsi, Kiangsi, Anhwei, ~~Hubei~~, Hupeh, Hunan, Szechwan, Kweichow, and Yunnan.

4. It is anticipated that work is well advanced on many chapters of these studies. Contributors are therefore requested to submit an estimate of the date when copy can be completed on the various studies. When this information is at hand, a tentative schedule providing for orderly flow of material will be announced.

5. Outline guides for the above studies will be revised to conform to peacetime requirements and distributed at a later date.

6. Reproduction of JANIS will probably be in different form; in any case, multi-colored printing will not be possible. Maps must be prepared for black and white reproduction. Illustrations will probably not be printed initially but should be submitted for retention in a master file copy, to be used in case of emergency demands for printed copies.

7. Additional detailed instructions will be furnished at a later date.
